Kundan Kumar Suraj

Full Stack Web Developer

PROFESSIONAL SUMMARY

Results-driven Full Stack Developer proficient in building functional, visually appealing applications using React.js and related technologies. Skilled in frontend and backend development, including HTML, CSS, JavaScript, and scalable architecture. A collaborative team player with strong problem-solving abilities, dedicated to delivering high-quality solutions.

WORK EXPERIENCE

Cognisite Technology Pvt. Ltd.

SDE

August 2024-present

Job responsibilities:

- I manage the development and architecture of full-stack web applications, ensuring seamless integration between frontend and backend systems for a smooth user experience.
- My role involves creating efficient, maintainable code, troubleshooting issues, and optimizing performance to meet high standards of functionality and reliability.

PROJECTS

1. QuizMe | [🌐](#) | [🔒](#)

React | Node.js | Express.js | MongoDB | RESTful APIs | Responsive Web Design | GitHub

- Developed a full-stack web application using the MERN stack: React, Node.js, Express.js, MongoDB.
- Implemented user authentication functionalities including signup, login, and logout. Designed and implemented a robust access control system to differentiate between different user roles.
- Contributed to both frontend and backend development ensuring seamless integration.

2. Bon Voyage | [🌐](#) | [🔒](#)

HTML5 | CSS3 | JavaScript | React | Redux | JSON-Server | GitHub

- Developed a responsive web application using HTML5, CSS3, and JavaScript.
- Implemented user authentication and authorization using React and Redux.
- Utilized GitHub for version control and collaborative development.

3. VoyaWander | [🌐](#) | [🔒](#)

HTML5 | CSS3 | JavaScript | Responsive Web Design

- Developed robust user authentication system for secure login/signup functionality, enhancing application security.
- Implemented responsive design principles to ensure optimal user experience across various devices.
- Utilized GitHub for version control and collaborative development.
